of Donald Driver Motors, LLC

Case No. TR-13-0016

**FINAL DECISION**

On May 1, 2013, Jean Janz filed a claim with the Wisconsin Department of Transportation (Department) against the motor vehicle dealer bond of Donald Driver Motors, LLC, (Dealer). Pursuant to the procedures set forth at Wis. Admin. Code § Trans 140.26, a Public Notice to File Dealer Bond Claims was published in The Campbellsport News, a newspaper published in the Village of Campbellsport, Wisconsin. The notice informed other persons who may have claims against the Dealer to file them with the Department by August 26, 2013. No additional claims were filed.

The claim along with documents gathered by the Department during its investigation of the claim were referred to the Division of Hearings and Appeals. The Administrative Law Judge issued a Preliminary Determination in this matter on September 11, 2013. No objections to the Preliminary Determination were received. Pursuant to Wis. Admin. Code § Trans 140.26(5)(d) the Preliminary Determination is adopted as the final decision of the Department of Transportation and the evidentiary hearing scheduled for October 18, 2013 is CANCELLED.

### FINDINGS OF FACT

1. Donald Driver Motors, LLC, (Dealer) was licensed by the Wisconsin Department of Transportation (Department) as a motor vehicle dealer. The Dealer's facilities were located at 113 East Main Street, Campbellsport, Wisconsin. The dealership is out of business as of November 30, 2011.
2. The Dealer has had a bond in force since January 3, 2008. (Bond #824044 from Universal Underwriters Insurance Group)
3. On May 8, 2008, John Jacob and Jean Marie Janz (the Janzs) purchased a 2004 Cadillac Escalade, vehicle identification number 3GYFK66N04G335099, from the Dealer. The Janzs paid \$23,999.00, not including taxes and registration fees for the vehicle. The vehicle came with a limited warranty administered by the Dealer. The warranty covered the powertrain of the vehicle and was for an unlimited term. The warranty has a \$100.00 deductible.
4. In April of 2013, the Janzs experienced mechanical problems with the vehicle which were subsequently diagnosed as a defective seal that allowed transmission fluid to leak into the transfer case. The Janzs were unable to have the seal repaired by the Dealer under the warranty because the Dealer had closed.
5. On April 4, 2013, Jean Janz filed a complaint with the Department against the Dealer. The investigator from the Department contacted Richard Jungen, the corporate secretary for the Dealer, about Ms. Janz's complaint. Mr. Jungen informed the investigator that the Dealer would not do anything about the complaint. The investigator relayed this response to Ms. Janz.
6. On May 1, 2013, Jean Janz filed a claim against the surety bond of the Dealer in the amount of \$532.20. The claim is itemized as \$71.58 for diagnosis of the problem and \$460.62 for the repair.

7. The Dealer's failure to repair the Janzs' vehicle under the terms of the warranty constitutes a violation of Wis. Admin Code § Trans 130.06(10)(a).<sup>1</sup> A violation of Wis. Admin Code § Trans 130.06(10)(a), in turn constitutes a violation of Wis. Stat. § 218.0116(1)(gm) (having violated any law relating to the sale, lease, distribution, or financing of motor vehicles).

8. The Janzs sustained a loss as the result of an act of the Dealer that would be grounds for the suspension or revocation of its motor vehicle dealer license. Jean Janz has provided documentation to support a claim totaling \$432.20, the amount that would have been covered by the warranty that the Dealer provided to the Janzs with the purchase of the vehicle they bought from the Dealer. The allowable claim is calculated as follows: \$71.58 for diagnosis of the problem plus \$460.62 for the repair less the \$100.00 deductible.

9. Jean Janz's claim arose in November of 2011, at the time the Dealer went out of business. Although the Janzs did not attempt to use the warranty until April of 2013, the Dealer's violation of Wis. Admin Code § Trans 139.06(10)(a) occurred when it closed and did not make any arrangements to honor the terms of the warranty. The bond claim was filed within three years of the ending date of the one-year period the bond issued by Universal Underwriters Insurance Group was in effect and is, therefore, a timely claim.

## DISCUSSION

The procedure for determining claims against dealer bonds is set forth at Wis. Admin. Code Chapter Trans 140, Subchapter II. Wis. Admin Code § Trans 140.21(1) provides in relevant part:

A claim is an allowable claim if it satisfies each of the following requirements and is not excluded by sub. (2) or (3):

- (a) The claim shall be for monetary damages in the amount of an actual loss suffered by the claimant.
- (b) The claim arose during the period covered by the security.
- (c) The claimant's loss shall be caused by an act of the licensee, or the [licensee's] agents or employees, which is grounds for suspension or revocation of any of the following:

---

<sup>1</sup> Wis. Admin Code § Trans 139.06(10)(a) provides that "It is an unfair practice and prohibited for a warrantor to fail to service or repair a motor vehicle in accordance with the terms and conditions of the warranty or service contract."

1. A salesperson license or a motor vehicle dealer license, in the case of a secured salesperson or motor vehicle dealer, pursuant to s. 218.01 (3)(a) 1. to 14., 18. to 21., 25. or 27. to 31., Stats. *[recodified as §§ 218.0116(1)(a) to (gm), (im) to (k), (m), and (n) to (p) in Wis. Stats. (1999-2000)].*

(d) The claim must be made within 3 years of the last day of the period covered by the security. The department shall not approve or accept any surety bond or letter of credit which provides for a lesser period of protection.

Accordingly, to allow the claim filed against the security bond of the Dealer, a finding must be made that the Dealer violated one of the sections of Wis. Stat. § 218.0116(1) identified in Wis. Admin. Code § Trans 140.21(1)(c)1, and that the violation caused the loss claimed. In this case, the Dealer violated Wis. Admin Code § Trans 130.06(10)(a). A violation of Wis. Admin Code § Trans 130.06(10)(a), in turn, constitutes a violation of Wis. Stat. § 218.0116(1)(gm). Wis. Stat. § 218.0116(1)(gm) is identified in Wis. Admin. Code § Trans 140.21(1)(c)1. Jean Janz sustained a loss as a result of this violation.

#### CONCLUSIONS OF LAW

1. Jean Janz's claim arose in November of 2011, when the Dealer closed without making any arrangements to honor the terms of the warranty it had given to the Janzs. The Janzs discovered the violation when they experienced mechanical problems with the vehicle they purchased from the Dealer and the Dealer failed to repair the vehicle in accordance with the terms of the warranty. The surety bond issued to the Dealer by Universal Underwriters Insurance Group covers a one-year period commencing on January 3, 2011. The claim arose during the period covered by the surety bond.

2. Jean Janz filed a claim against the motor vehicle dealer bond of the Dealer on May 1, 2013. The bond claim was filed within three years of the last day of the period covered by the surety bond. Pursuant to Wis. Admin. Code § Trans 140.21(1)(d), the claim is timely.

3. Jean Janz sustained a loss as the result of an act of the Dealer that would be grounds for the suspension or revocation of the Dealer's motor vehicle dealer license. Ms. Janz has submitted documentation to support a claim in the amount of \$432.20.

4. The Division of Hearings and Appeals has authority to issue the following orders.

**ORDER**

The claim filed by Jean Janz against the motor vehicle dealer bond of Donald Driver Motors, LLC, is APPROVED in the amount of \$432.20. Universal Underwriters Insurance Group shall pay Jean Janz this amount for her loss attributable to the actions of Donald Driver Motors, LLC.
